

The Linden

1,902 SQ. FT.

For such a compact footprint, it's hard to believe this home features four generous bedrooms plus an open loft area. Even the narrowest lot could be accommodated with a slight modification to the side deck. The kitchen-dining area opens to the living area featuring a vaulted ceiling with two stories of windows.

Main Floor Plan
1084 Sq. Ft.

Upper Floor Plan
818 Sq. Ft.
