

The Chinook

2,370 SQ. FT.

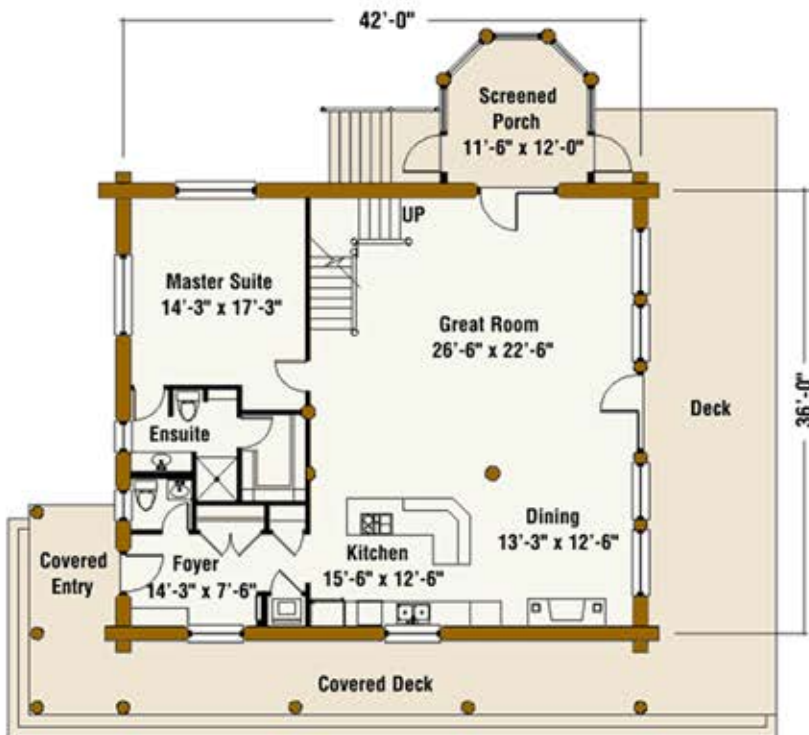

A unique design with a touch of drama.

A large roof soars high over the great room, sheltering large upper windows crowned by a log gable truss.

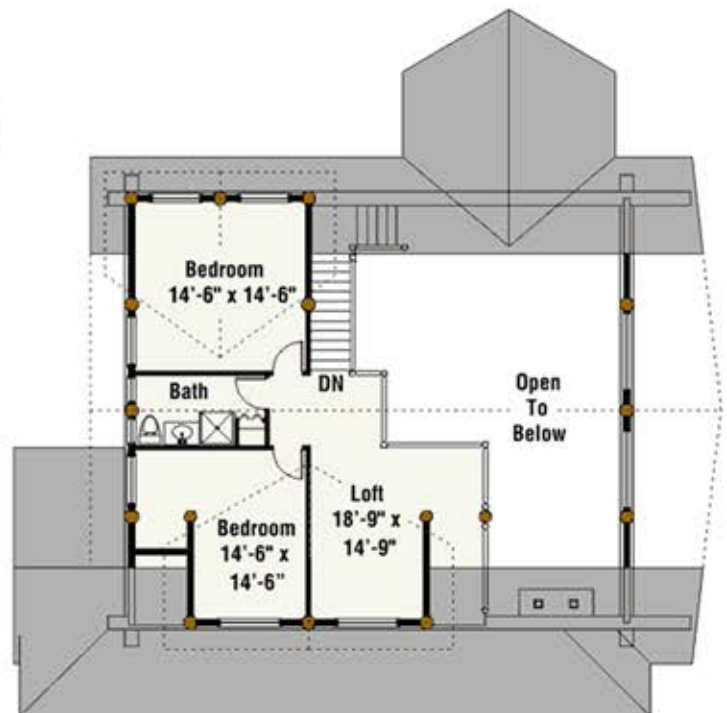

A unique octagonal side porch invites you to enjoy all seasons in the fresh air.

The master suite boasts a 3-piece bath and walk-in closet.

Upstairs, 2 bedrooms and a loft with a view of the great space finish off this home.
