

# Westbury

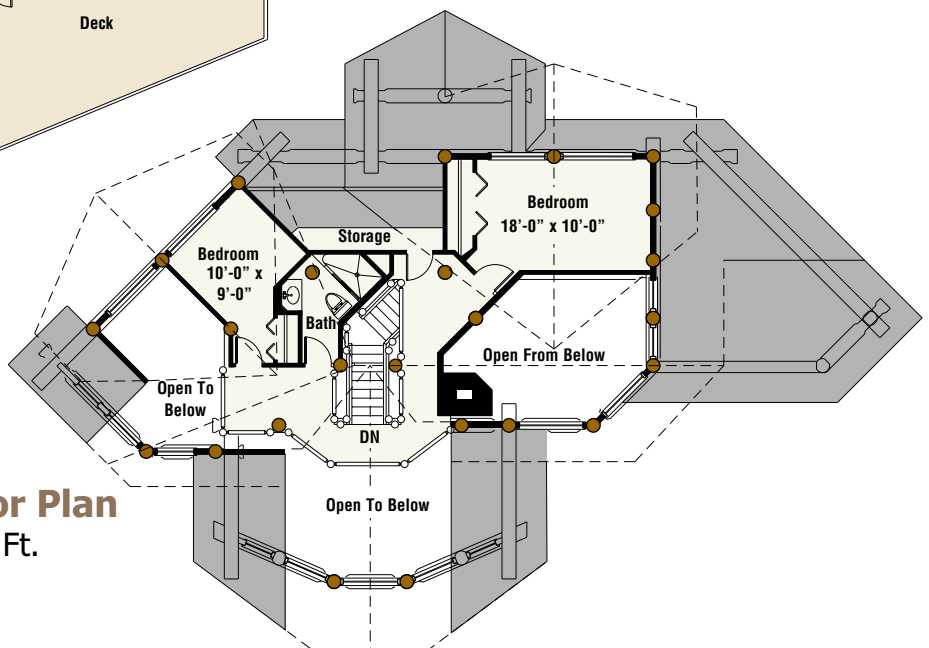

**2,465 Sq. Ft.**

Perfectly suited for either a hillside or level site, dramatic angled walls and overlapping roof planes highlight this contemporary post-and-beam home. Each major room features a high vaulted ceiling, creating a feeling of space and allowing striking views from the upper walkway.

**Main Floor Plan**  
1860 Sq. Ft.

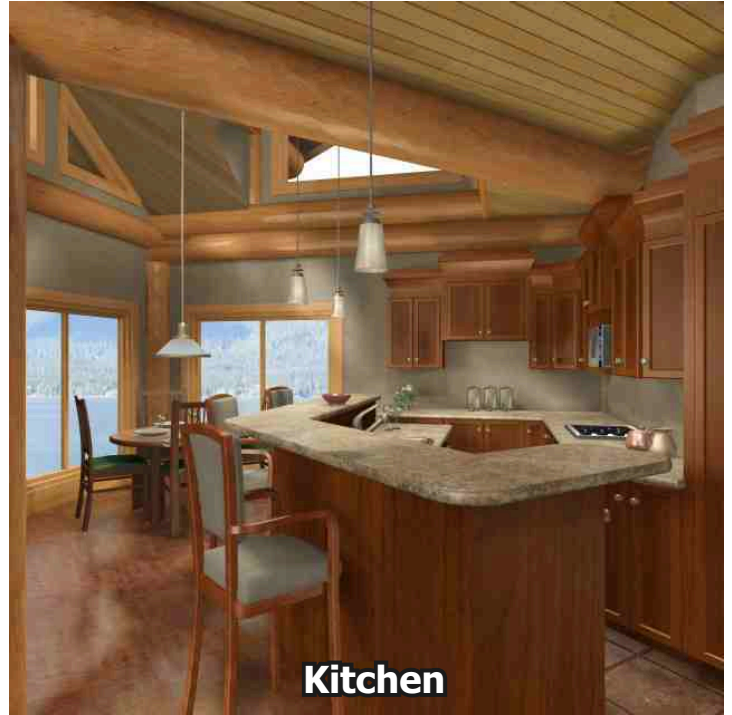

**Upper Floor Plan**  
605 Sq. Ft.
