

# Treen Hill

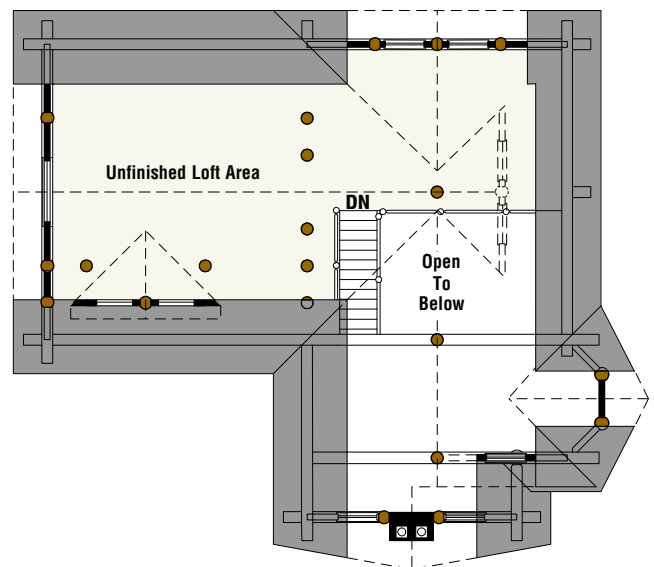

**1809 Sq. Ft.**

This alpine retreat inspired home is a beautiful reflection of nature.

The peaked roof lines make a striking first impression. The bayed picture windows enhance the vaulted ceiling of the living room and allow sunlight to stream through the dining area into the chef's kitchen. A wide-open loft overlooks the living area below.

**Main Floor Plan**  
1429 Sq. Ft.

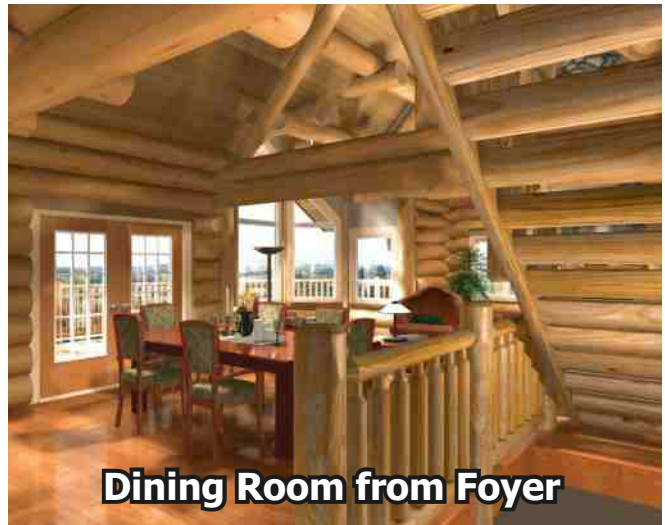

**Upper Floor Plan**  
380 Sq. Ft.
