

# Minocqua

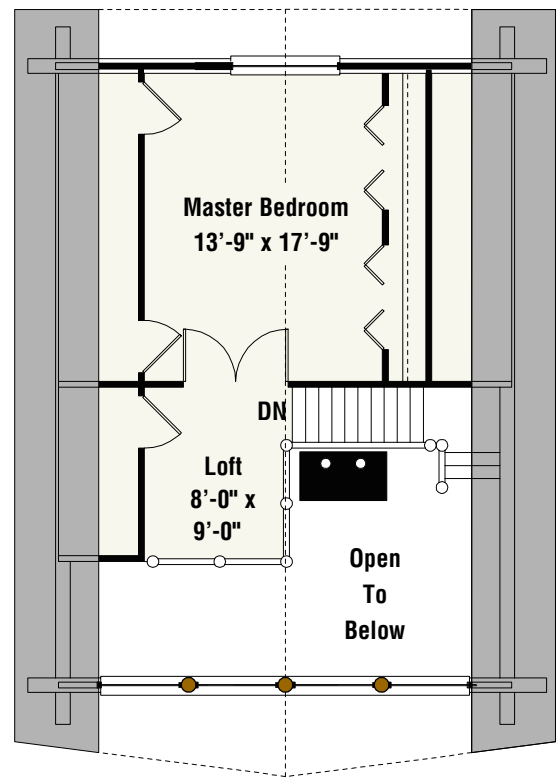

**1,292 Sq. Ft.**

Perfect for either a weekend getaway or a permanent home, this design delivers a lot in a small package. The efficient main floor plan flows through the vaulted living space, where an L-shaped stair wraps behind the fireplace to the loft above. An optional daylight basement suits the possibility of a hillside site.

**Main Floor Plan**

936 Sq. Ft.

**Upper Floor Plan**

356 Sq. Ft.
