

THE Revelstoke

2193 Sq. Ft.

An efficient floor plan packs a lot of living space into this home with a small footprint. The wide open dining and living rooms adjoin a generous kitchen with L-shaped cabinets with an island. A U-shaped stair leads up the vaulted living room to an upper gallery and three full-sized bedrooms. A long covered deck is perfect for outdoor living in any weather.

Main Floor Plan.
1360 Sq. Ft.

Upper Floor Plan
833 Sq. Ft.
