

## THE Seaside

1560 Sq. Ft.

Though cozy and affordable, this home still boasts a feeling of great space. A compact, efficient main floor features two generous bedrooms. The living area, being fully open to the loft, rises to a soaring ceiling. Covered decks on each side offer extensive sheltered outdoor space, while a spacious open deck beckons in sunny weather.

**Main Floor Plan**  
1080 Sq. Ft.

**Upper Floor Plan**  
480 Sq. Ft.
