

# *The* Wenatchee

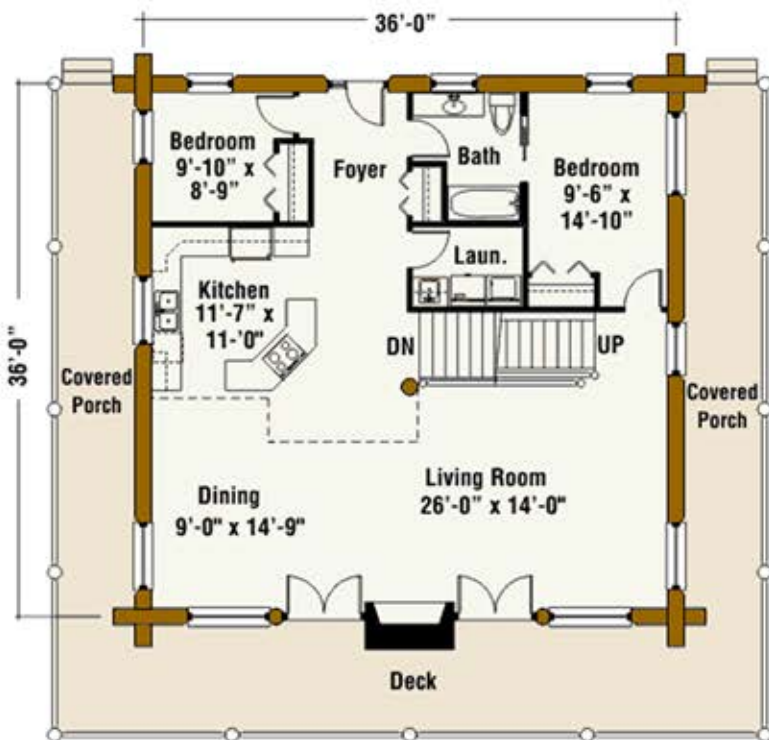

1,866 SQ. FT.

A dramatic stone fireplace punctuates the windowed front gable of this charming chalet style home.

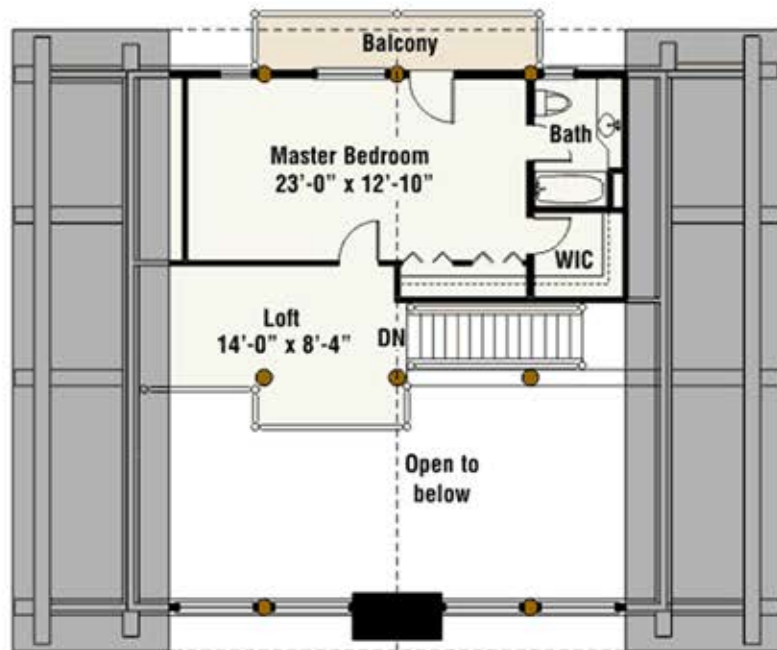

This is a compact, efficient design that has no lack of space, with two bedrooms and a full bathroom on the main floor.

The gorgeous kitchen features an L-shaped island and loads of counter space.

The fireplace and stair rise in the vaulted great room, leading to a wide loft and the master suite upstairs with its own balcony.
