

The Silver Star

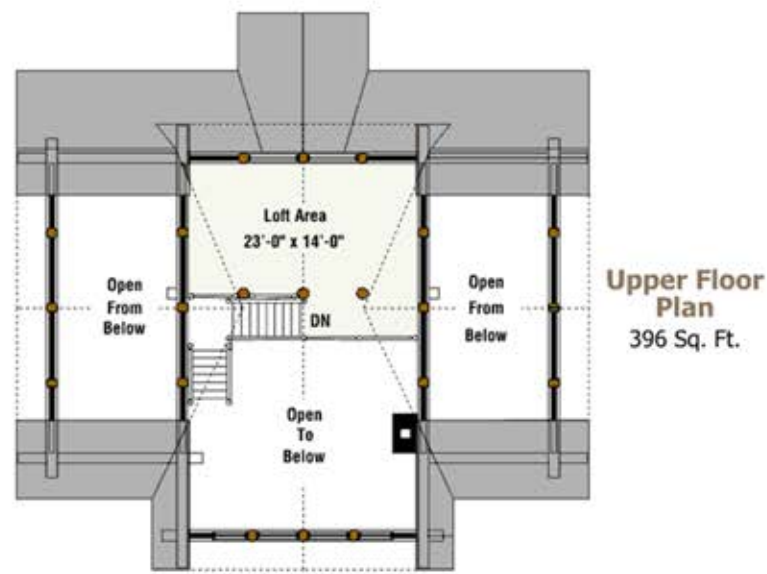

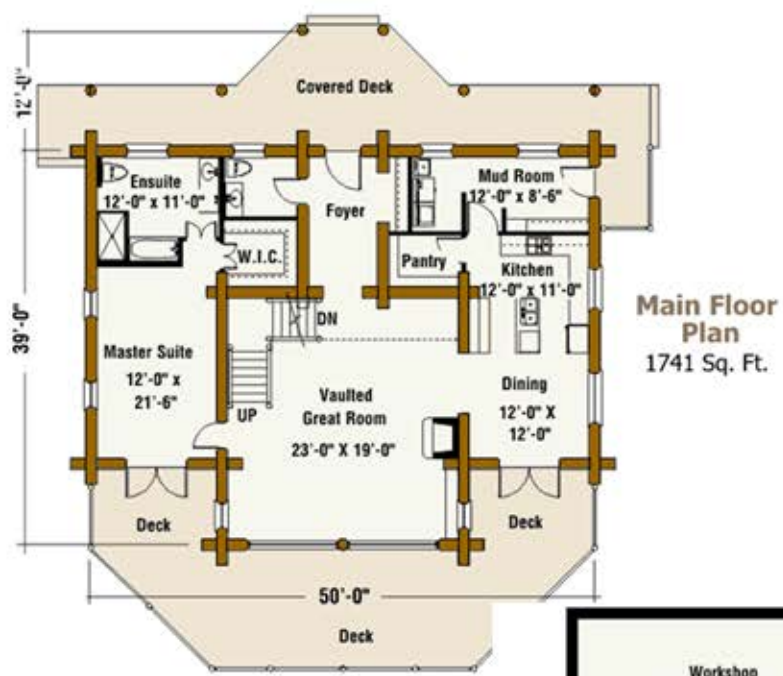

2,137 SQ. FT.

With a covered front porch and clean rooflines, this first class design focuses on visual appeal and a unique plan suited to convenient living.

A cozy loft overlooks the vaulted great room below, which is sunk two steps below the main floor.

The dining area adjoins an impressive kitchen with a large pantry.

A full ensuite and large walk-in closet highlight the spacious master suite.

Note: Lower floor area not included in total sq. footage
