

## *The* Langdon 2,654 SQ. FT.

This celebrated home won a gold award with special commendation for 'best home and feature'.

The innovative design features an elaborate kitchen open to an expansive dining and great room combination.

The upper floor plan is mainly comprised of the deluxe master suite including a walk-in closet and full ensuite, leading over a catwalk to a private area with a fireplace. The lower floor includes two comfortable bedrooms and boasts a generous entertainment room, complete with wet bar—perfect for social gatherings.
