

Maple Creek

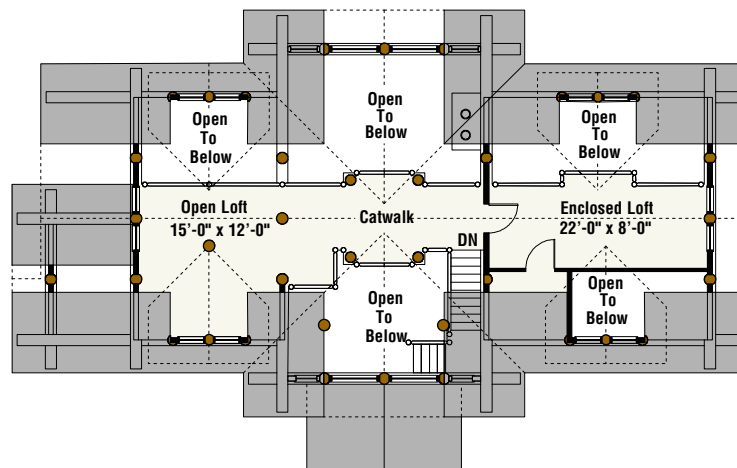

2470 Sq. Ft.

Accessibility and easy circulation are key to this spacious design. The ensuite features dual walk-in closets and entrances for couples who like their own space. Extensive loft areas nestle into the vaulted roof, with views to the main floor below. A convenient mud room is perfect for access from an optional garage or carport.

(Note: Optional wrap-around deck not shown on plan)

Main Floor Plan.
1800 Sq. Ft.
