

# *The* Edgewood

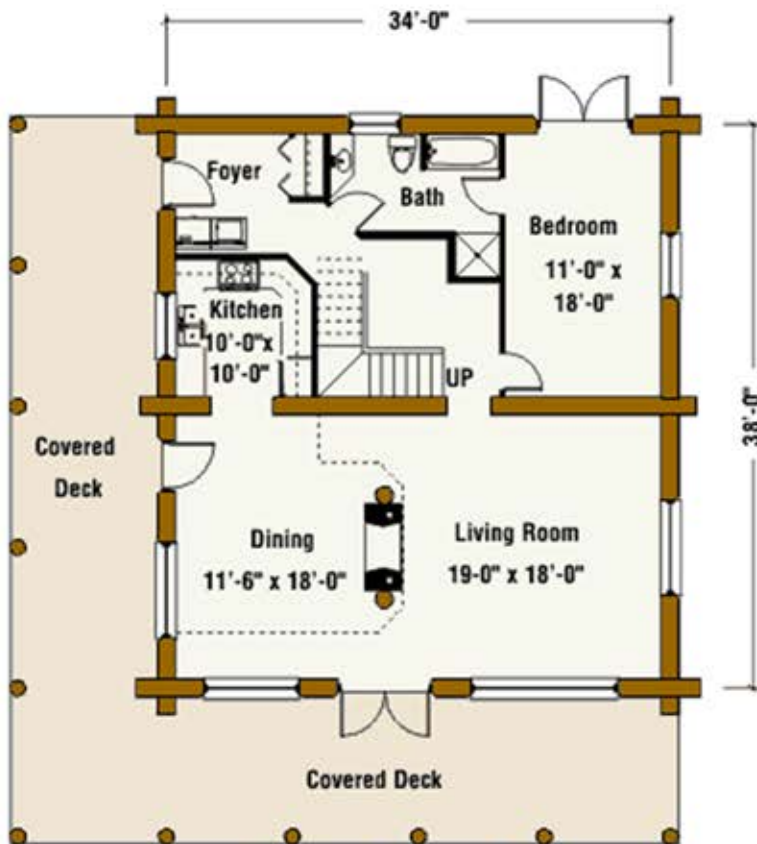

2,242 SQ. FT.

This home has genuine country charm combined with the promise of comfortable living.

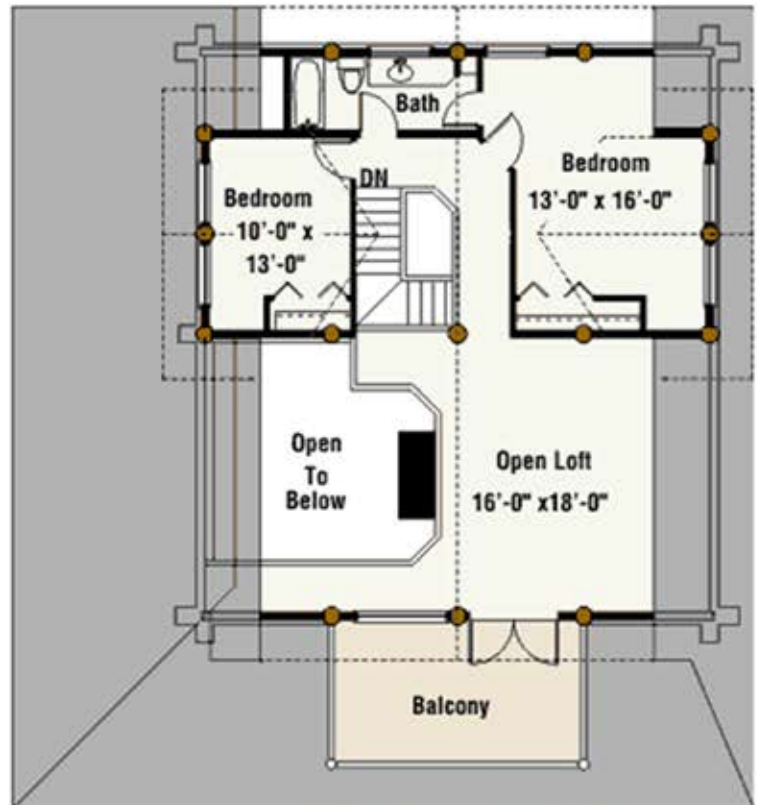

A full wrap-around covered veranda is an inviting and eye-catching accent to the exterior.

The kitchen, dining and living room combination is perfect for entertaining. A convenient main floor bedroom is suited to a four-piece bathroom, and two more bedrooms and a full bath complete the upper floor.

The open loft provides informal extra space with a view to the dining room .
