

The Nahanni

4,990 SQ. FT.

A magnificent home with a self-contained guest wing, so you can give visitors their own suite!

A spacious foyer leads to the vaulted great room with adjoining kitchen and sunroom. A beautiful spiral log stair leads to the master bedroom and ensuite.

An extra bedroom is conveniently located on each floor.

The completely outfitted guest wing is accessed off a hallway on each level, but is easily divided off from the main house if desired.

Multiple decks and balconies on both floors offer sweeping views overlooking the great room below.
