

The Wildwood

1,953 SQ. FT.

The clean sleek look of this home with its large decks conjures images of sun tanning in loungers, barbecue parties and patio lanterns.

From the large chef's kitchen the dining area accesses the spacious covered deck through a pair of french doors.

The vaulted great room also has french doors and numerous windows, and is overlooked by the upper floor loft.

The master suite boasts deck access and includes a full ensuite and walk-in closet.
