

THE Bavarian Dream 3128 Sq. Ft.

A home of splendor and distinction, the Bavarian Dream is one of our most sought after models. From the unique great room to the vaulted foyer and kitchen, this home impresses. Upstairs, the grand master suite and two bedrooms are connected by a walkway overlooking the foyer. Curving decks off the great room and upstairs master suite highlight the design.

Main Floor Plan
1923 Sq. Ft.

Upper Floor Plan
